Mike Neal There's 1200 or so of us...250 a day mon-fri this week go in full out survey 100's of ques and then we call back to see when we go back and they select 18 of us out of the 1200 but single people out one by one over the next month they are telling me the process will take until the 23rd or 24th...then the whole trial it self is going to be 3-4 months they say
